City of Brighton Encourages Seniors to Join the Brighton Senior Center with Free Membership

Brighton, MI – The City of Brighton City Council has unanimously voted to support and encourage local seniors to join the Brighton Senior Center. This initiative highlights the city's commitment to enhancing the lives of its senior residents through social engagement, fitness, and lifelong learning opportunities.

To make it easier for seniors to join, the city will cover the cost of the basic membership for Brighton seniors. Those interested in upgrading to silver or gold memberships can do so by paying the difference and gaining access to additional benefits and exclusive programs.

Seniors can obtain a membership voucher by bringing identification that verifies residency to:

Brighton City Hall
200 N. First Street
Brighton, MI 48116
Monday-Friday, 8 am-4 pm

If unsure about residency within city limits, please call 810-227-1911 before visiting City Hall for a voucher. Vouchers can be redeemed at the Brighton Senior Center, located at 850 Spencer Rd, Brighton, MI 48116, open Monday-Thursday, 9 am-2 pm.

Operated by Brighton Area Schools, the Brighton Senior Center offers a variety of daily activities and special events. Members can enjoy euchre, bingo, Mahjong, exercise classes, workshops, and educational sessions. The center also features a boutique store and a cozy café for coffee, tea, relaxation, and socializing. Welcoming all individuals aged 50 and older, the center provides a vibrant community for seniors to stay active and connected.

"We are thrilled to support our senior community by encouraging them to take advantage of the wonderful resources and programs available at the Brighton Senior Center," said Gretchen Gomolka, City Manager. "The center is a vital part of our community, offering a place for seniors to stay healthy, learn, and socialize. We look forward to seeing many new faces and fostering a welcoming environment for all."
